

## CLASSIC BRIDAL BEAUTY FOR OILY BRIDES

### ELEMENTAL EYE COLLECTION

“With four warm and four cool-toned shades, you have options for classic or dramatic eyes for your big day.”

### CREAM BLUSH

“A creamy blush is wonderful choice, but can be tricky if you have oily skin. This formulation from glō Minerals is perfect for most skin types. Practice using beforehand and use only on the apples of your cheeks to get that much-desired, natural pop of color.”
