TINTED PRIMER SPF 30

“glō Minerals Tinted Primer SPF 30 is a silky, and oil free primer. With pure mineral sun protection that glides on to instantly even skin tone, mask imperfections and provide all day coverage. Wear alone for sheer radiance or prep foundation for a flawless complexion. Its formula’s mineral pigments even tone and mask imperfections while a combination of skin-conditioning silicones fill in fine lines and pores. The result is impeccably smooth, flawless-looking skin.”
