

TOP 8 HEALTHY SUNSCREENS OF 2017

SOLAR SHADE SPF 50

“Designed for delicate, sensitive skin, glo therapeutics Solar Shade SPF 50 is a lightweight blend of natural, mineral sunscreens, and added antioxidants that glides onto skin and is absorbed quickly. It provides broad spectrum protection to shield against sun damage and prevent photo aging. Formulated with Zinc Oxide and Titanium Dioxide and without dyes, fragrance, parabens, gluten, nuts, and soy, this non-irritating sunscreen can be worn alone or under makeup for daily sun protection.”
