[Skin] What's Health Got to Do With It?

The #1 Reason Your Spa Goals Fail

## UPLIFTING LASHES

Get them long and luscious with tints, lifts and serums.

## Lash Out

Accentuate your client's eyes with these lengthening, volumizing and stimulating lash products.

- PureLash Lash Extender & Conditioner**  
 Jane Iredale  
<https://www.janeiredale.com>  
 PureLash Lash Extender & Conditioner works to strengthen, lengthen and thicken the lashes. Designed to be used under mascara, this lash conditioner helps to make mascara twice as effective.
- Replenix PROLash Eyelash Enhancing Serum**  
 Topix Pharmaceuticals  
<http://www.topixpharm.com>  
 Replenix PROLash Eyelash Enhancing Serum helps stimulate the growth and fullness of lashes during the lash's natural growth cycle to produce longer, stronger and fuller lashes.
- Lash Lengthening Mascara**  
 Glo Skin Beauty  
[www.gloskinbeauty.com](http://www.gloskinbeauty.com)  
 Lash Lengthening Mascara coats the lashes to maximize their length and definition. The flexible silicone brush works to separate the lashes while lengthening.
- X90 Eyelash Extension Curvature**  
 Xtreme Lashes  
[www.xtremelashes.com](http://www.xtremelashes.com)  
 X90 Eyelash Extension Curvature is designed to provide a dramatic curl, flattering fit and long-wearing power. The 90-degree silhouette goes beyond the eyelid and provides extreme lift, length, density and volume.
- Ultra Eyelash Conditioner**  
 Luksus Cosmetics  
[www.luksuscosmetics.com](http://www.luksuscosmetics.com)  
 Ultra Eyelash Conditioner uses patented peptides to create longer, darker, thicker and healthier lashes while also working to strengthen and nourish them.
- Eyelash & Eyebrow Enhancing Serum**  
 RapidLash  
<http://www.rapidlash.com>  
 Eyelash & Eyebrow Enhancing Serum contains biotin, amino acids and panthenol to maintain healthy lashes. Polypeptides help protect against breakage, while pumpkin extract and soybean oil help enhance the appearance of lashes.
