### PRECISE MICRO BROWLINER

“The Precision Micro Browliner is available in six colors to choose from, helping expertly shape eyebrows. The ultra-slim pencil fills in sparse areas with details of fine, hair-like strokes for a natural look.

This long lasting, wax-based formula glides onto skin and will not smudge after application for over 10 hours. 800-232-0398, [www.gloprofessional.com](http://www.gloprofessional.com)”
