

## GLÖ THERAPEUTICS SKIN FIRMING CREAM REVIEW

**Pros**  
Hydrates, tightens and increases radiance

**Cons**  
Not for purists

**Our Take**  
Powered by peptides and other potent actives, this cream improves skin's density, firmness and tone

### SKIN FIRMING CREAM

“The jar is wonderful, as you can scoop out every last drop. The cream goes on smoothly and absorbs into your skin without feeling thick or greasy. The scent may be a bit off putting to some, but to me it smells like the sheets at the spa where I get massages and so I loved it. The smell does fade quickly for those who don't like scented creams.”
