SUN KISSED

Check out this steamy assortment of summer makeup products made to beat the heat.—*Darby Radcliff*

1. Ardell Brow Defining Kit: Avoid smudging eyebrow makeup with a brow powder palette that includes three shades, one highlighter, and a professional brush to create the perfect sweat-proof arch. www.ardellashes.com

2. Becca Shimmering Skin Perfector Luminous Blush: This hybrid pressed powder helps clients achieve a glorious glow with a feminine coral shade (Snapdragon shown) that flatters all skintones. www.beccacosmetics.com

3. Colorescience Even Up Clinical Pigment Corrector SPF 50: Prevent sun damage with this three-in-one formula containing Lumira, which is a skin-brightening complex that improves the appearance of skin discoloration. www.colorescience.com

4. Coola SPF 30 Rosilience Organic BB Cream: Formulated with 70 percent certified-organic ingredients and rose stem cells, this tinted moisturizer provides a luminous glow for a healthy-looking finish. www.coolasuncare.com

5. Erin's Faces Mineral Eye Shadow: Take a summer bronze to a new level with this shimmering mineral powder eyeshadow in Sunkissed. www.erinsfaces.com

6. Glo Therapeutics Moisturizing Tint SPF 30+: Protect against the sun's damaging rays with this oil-free formula that adds sheer color to even the skintone. www.gloprofessional.com

7. Grande Naturals GrandeLips: Brighten a client's look with this vibrant lip plumper in a trendy tropical coral shade (Sunset Orange shown). www.grandelashmd.com

8. HydroPeptide Perfecting Gloss: Provide hydration all summer long with a sheer, neutral lip-enhancing treatment (Nude Pearl shown) that adds the perfect amount of shimmer. www.hydropeptide.com

9. Jane Iredale Bronzer: Featuring a warm golden shade, this bronzer (Moonglow shown) from The Good Glow Collection can be swept across cheeks, eyes, and lips to create an all-over sun-kissed glow. www.janeiredale.com

10. Kryolan Professional Make-Up Nebula Contour Set: Create a natural summer look with this contour set that includes highlight, blush, and contour shades infused with micronized pigments. It can be applied using a spray gun or a brush. us.kryolan.com

11. Manna Kadar Liplocked Priming Gloss Stain: Nourish lips with this bright fuchsia formula (Manna Babe shown), which is made with berry extract and vitamins A and E and delivers a lasting pigment. www.mannakadarcosmetics.com

12. Repêchage Perfect Skin Natural Finish Pressed Powder: Made with soothing chamomile flower oil, antioxidant-rich seaweed, titanium dioxide, and vitamin E, this silky powder creates a shine-free complexion. www.repechage.com

MOISTURIZING TINT SPF 30+

"Protect against the sun's damaging rays with this oil-free formula that adds sheer color to even the skintone."
