## CHIC LUXURIES MOTHER'S DAY GIFT GUIDE 2017

### FIRST BLUSH

“I'm in love with the natural look glō minerals First Blush Living Color Collection provides and think every Mom will be too. Included is a Cream Stay Shadow Stick in beam which allows shadow to glide on and stay put. Instructions are included for the eye shadow quad to accentuate and highlight eyes. The Peony Lip Gloss and Guava Blush adds just the right amount of color for a healthy glō.”
