

GLÖ MINERALS SUEDE MATTE CRAYONS

SUEDE MATTE CRAYON

“ I like keeping my lips matte, and these Suede Crayons do the trick! This pencil provides long-lasting results with an intense color payoff! While I love matte lips, one thing I hate is how dry my lips get.

However, this jumbo pencil contains Vitamin C, E, Mango Oil, and Shea Butter, which provides my lips with tons of moisture! And if it couldn't get more convenient enough, there's a built in sharpener! I've been trying quite a few Glo Minerals products lately, and I have to say, I'm pretty impressed!”
