## WORTH A LOOK

Columbia SkinCare's **Probiotic Concentrate** is a patent-pending serum that combines a proprietary blend of amino acids, plant stem cells, and probiotics which potentiate to create a breakthrough advance in topical skin care. The regular use of Probiotic Concentrate effectively acts on the most important biological feature in aging skin - its ability to renew itself. This formula has been clinically proven to improve skin barrier function and enhance the growth of stratum corneum, while improving the skin renewal process. 914-337-5131 or columbiaprobiotics.com

**D'Eye Cream Silky** by Dermaswiss is a formulation with proven anti-aging, nourishing, and hydrating properties to protect the delicate eye area. A unique blend that delivers a rejuvenated, youthful-looking eye, it diminishes the appearance of fine lines and wrinkles with the power of arginine and palmitoyl tetrapeptide-7. It also visibly brightens dark circles and reduces puffiness thanks to horse chestnut and vitamin C. The milk protein complex improves skin elasticity and increases firmness. Meadowfoam and panthenol provides in-depth moisture. 800-741-7732 or dermaswiss.com

DefenAge unlocks skin's potential to remain youthful with skin care that is simple, regenerative, and effective. The **DefenAge Serum** is a multi-age corrector that contains breakthrough peptides - Age Repair Defensins® - to rejuvenate skin naturally and effectively. 888-368-5372 or defenage.com

The new **Three Milk Ageless Night Cream** from FarmHouse Fresh® intensely hydrates and firms. It features three botanical milks to calm skin, advanced skin-restoring peptides to target deep wrinkles, and a time-release delivery system of pure-form retinol which does not irritate skin, delivering a more youthful appearance all night and over time. The 93 percent natural formula is vegan, gluten-free, and contains no parabens, sulfates, or mineral oil. 888-773-9626 or farmhousefreshgoods.com

**Amethyst Polish** by Elina Organics is a deeply exfoliating and skin polishing elixir. This bio-energized, rejuvenating, and scrubbing mask is beneficial for all skin types. It contains crushed amethyst, which is known to support healthy cell growth and regeneration. It also helps to improve micro-circulation. Other unique, regenerative, and antioxidant ingredients that are used in Amethyst Polish include chaga mushrooms, fulvic minerals, grape seed oil, methylsulfonmethane, and extract of rose petals. 269-384-2170 or elinaorganicskincare.com

**Bio.digital Moisturizing Body Lotion** by eXO Skin Simple is a breakthrough body lotion that radically quenches and soothes dry, dull skin. Intelligent Zen3 technology rejuvenates skin from the cellular level up, while next-generation, natural ingredients visibly firm, nourish, and clarify. Slather it on from the collarbone on down, to tips of the toes, for clean, healthy skin. Perfect for all skin types. 844-396-7467 or exoskinsimple.com

Glo Skin Beauty's **Moisturizing Tint SPF 30+** has a lightweight, oil-free formula that provides moisture to combat dehydration and dryness, broad spectrum UVA/UVB protection to guard against the sun's damaging rays, and a sheer hint of color to softly even tone and enhance skin's radiance. It features dimethicone, a conditioning agent that provides a silky feel and protects skin against water loss, and glycerin, a humectant to soften and smooth skin. 800-232-0390 or gloskinbeauty.com
