

Bullet-Proof Beauty: 7 Beauty Products Designed For Sweaty Workouts

Tinted Primer SPF 30, Pressed Base

“**Tinted Primer SPF 30** is an ideal, oil-free primer to wear when exercising outside. This primer is the perfect “one and done” product that can be worn alone for sheer radiance and a barely there look or under foundation to prep for a flawless complexion. **Pressed Base** is an award-winning mineral makeup foundation...This feather-like powder formula blurs away any complexion imperfections, redness and blemishes. The mineral powder adheres to your skin to absorb oil and reduce shine.”
