

## Makeup Must-Haves

Makeup products are an indispensable tool for many skin care professionals. Take a look at these makeup superstars!

- 1. The Snap Happy Makeup Kit** by jane iredale is a trio of long-wearing, universally-flattering matte finishing powder, shimmering blush, and mix-and-match eye shadows in a three-tiered compact. The lightweight compact snaps apart for easy travel. [janeiredale.com](http://janeiredale.com)
- 2. Tinted Mineral SPF 35** by BION Research Skincare Products protects, moisturizes, and provides sheer coverage with titanium dioxide and zinc oxide for physical protection against UVA and UVB rays. [bionresearch.com](http://bionresearch.com)
- 3. The COLORSET Jumbo Pencil Primer** by Contours Rx is an all-in-one shadow primer and contouring pencil. COLORSET gives a dry, yet moisturizing finish to maximize shadow pigments and highlight the eyes. [contoursrx.com](http://contoursrx.com)
- 4. ECRU New York's Runway Lash Amplifying Mascara** is a new generation mascara that is perfect for revealing intense, amplified, runaway eyelashes. Its unique formula lengthens, volumizes, lifts, and curls eyelashes. [ecrunewyork.com](http://ecrunewyork.com)

- 5. Elina Organics' Probiotic Colour Collection** is packed with skin-nourishing, fermented oils; organic, plant butters; a high concentration of mineral pigments; and
- 6. Glo Skin Beauty's Shadow Palette in Elemental Eye** consists of eight vibrant mattes and metallics. Infused with vitamins C, E, and green tea extract, these vel-
- 7. Perfect Radiance Make Up** by Jansen Cosmetics is a cosmetic that gives the wearer a natural look and provides ultraviolet protection. The light, non-greasy formul-
