

My Current Skincare Routine for Brightening & Smoothing

Daily Power C+ & Daily Hydration

“First, the Glo Skin Beauty Daily Power C+ Serum. It has 20% vitamin C—that’s why I chose it. (That’s a very high percentage, which is a really good thing!)...The second serum I apply is the Glo Skin Beauty Daily Hydration+ and trust me, your skin will thank you from the very moment you put it on. It’s totally weightless, but it provides a huge punch of hydration that will make your skin look smoother and promotes wound healing, if you have any blemishes, etc.”
