DermAware Bio-Targeted Skin Care's Healing Power's Sleep-In Mask contains calming peptides that nourish, hydrate, and heal, with anti-inflammatory moisturizing factors. It is great for all post-resurfacing treatments, acne, sensitive skin, redness, and sunburns. dermaware.com

Eminence Organic Skin Care's Linden Calendula Treatment can be used as a mask or night treatment. The extracts derived from fresh linden and calendula plants deeply nourish and refresh the skin's appearance, while fine herbal oils restore the look of youthfulness and elasticity. eminenceorganics.com

Glo Skin Beauty's Calming Flower Mist provides instant cooling relief with a unique blend of soothing essential oils. Free of fragrance and dyes, this formula is designed to calm and hydrate even the most sensitive skin. It prepares skin for the optimal benefits of serum and moisturizer application. gloskinbeauty.com

Pevonia's Soothing Propolis Concentrate is a richly repairing micro-emulsified gel that contains a high concentration of propolis combined with lavender to calm, heal, and truly enrich skin. Antibacterial and decongesting, this vaso-constricting formulation alleviates microcirculation problems and strengthens fragile skin. pevoniapro.com

Rhonda Allison Cosmeceuticals' Beta Green Tea Cleanser blends heart of green tea and salicylic acid to minimize surface bacteria, deeply cleanse the pores, and provide potent healing elements. It works to clear problematic skin gently and therapeutically by reducing surface oils and delivering a deep-pore cleanse using the power of all-natural green tea. rhondaallison.com

Facial Nectar by Sorella Apothecary is a blend of oil essences combined for a nourishing herbal oil that is suitable for all skin types. This toning and hydrating oil can be used as a regular moisturizer, serum, or occasional cleanser. sorellaapothecary.com

Red-Out Express Soothing Facial by Repêchage helps to reduce the appearance of redness caused by the environment and stress with seaweed extracts, allantoin, aloe, hyaluronic acid, mirabilis jalapa extract, quercetin, rutin, and silver. repechage.com
